

What Is AA?

Alcoholics Anonymous is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help other to recover from alcoholism.

The only requirement for membership is a desire to stop drinking. There are no dues or fees for A.A. membership; We are self supporting through our own contributions. A.A. Is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy; neither endorses nor opposes any causes. Our primary purpose is to stay sober and help other alcoholics to achieve sobriety.

Am I an alcoholic?

If you repeatedly drink more than you intend or want to, if you get into trouble, or if you have memory lapses when you drink, you may be an alcoholic. Only you can decide. No one in A.A. will tell you whether you are one or not.

What happens at an A.A. meeting?

An A.A. meeting may take one of several forms, but at any meeting you will find alcoholics talking about what drinking did to their lives and personalities, what actions they took to help themselves, and how they are living their lives today.

If you think that you may have a problem with drinking alcohol we invite you to attend one of our meetings and see for yourself.
